April 2017 Edition

Dear Neighbors,

Spring arrived in Luxmanor with all of its glory and beauty.

Our neighborhood cherry blossom trees did not disappoint and many of our neighbors are prepping for the warm summer months to come. This month we are hosting our annual Books and Brunch at the home of Dave and Nurit Coombe. Please see the articles below for more details about annual dues, a return of our community farmers market and a brief overview of the Henson House Museum which is coming soon. As always, we would like to thank all who contributed to the publication in terms of time, article writing and to those of you who have generously supported our community through your purchase of advertisements. Josiah Henson Advisory Committee

On Monday, April 24, 2017 the Josiah Henson Advisory Committee met on site at the Josiah Henson Museum in North Bethesda to discuss various aspects of the project.

Approximately a dozen members of the Advisory Committee attended the meeting and took a tour of the project. Several discussions about the nature of the exhibits, narrative films, "view tubes", extracted original nails from the rafters becoming artifacts and black and white photography exhibit flip books were discussed. For future phases of the project, there was a recommendation to consider a "time looper": some kind of time travel cardboard device that attaches to your phone.

The group liked idea of rebuilding the missing log wall in the log kitchen. They felt it was important the kitchen be its own artifact. People will get two experiences this way: the frame house and separately, the log kitchen. Safety concerns about the intersection at Old Georgetown Road and Tilden Lane were addressed. The group stated that the intersection at Old Georgetown and Tilden/Nicholson is so dangerous. It is imperative to continue to try and get SHA/DOT to understand the concerns of the advisory group. It would be desirable to have different place to cross over, more north of the intersection. Similarly, sidewalk experience is menacing. The group want to address whether there is there anything that can be done to make it feel safer.

The Luxmanor Citizens Association was started in 1938, when all nine families in the area joined together to oppose the abandonment of the bus line on Old Georgetown Road. They were successful and continued the LCA. Throughout the years, our Association has been one of the most active in Montgomery County in addressing the interests of our neighborhood – in matters of transportation, traffic and safety, police and fire department services, schools, zoning, parks and recreation. This community has grown and now the Luxmanor Citizens Association serves almost 900 households.

LCA has two general meetings each year – in May and October. LCA Executive Committee meetings are held generally on the first Monday of each month at 7:30. These meetings are open to any paid-up member of the Association who may wish to attend.

Dues-paying families receive, each year, an updated community directory which lists: residents' names, addresses, phone numbers, and email addresses. It also contains other important phone numbers including local schools and important government and private service agencies.

Annual membership dues are **\$40.00** per family, payable by mail. We invite you to join our Association by sending your check, made payable to:
