

Old Farm Creek - Neilwood

Stream Restoration

Environmentally Friendly Landscapes
for Healthy Watersheds

Public Outreach Meeting

Wed, Oct 22nd 7:00 - 8:30 pm

Tilden Middle School
11211 Old Georgetown Rd, Rockville, MD 20852

Join Montgomery County's Department of Environmental Protection (MCDEP) to learn about proposed stream restoration project in your community. The proposed project will stabilize and enhance the existing stream corridor shown to the right.

Conceptual project plans will be presented at the meeting. Residents are encouraged to attend and provide any comments or questions about the project.

This project is part of the County's goal to reduce stormwater runoff, minimize pollution, promote infiltration, and restore stream conditions in the Cabin John Creek, the Potomac River, and the Chesapeake Bay.
