March 2017 Edition

March 2017 Edition

Dear Neighbors,

March roared in like a lion bringing us our first winter snow storm of the year and giving us the opportunity, with neighborhood children home from school, to have our second annual winter snow man contest. Once again we had wonderful entrees. The first, second and honorable mention prize winners are featured in this month's LuxLine! The Association also hosted a CPR training seminar at the Windermere clubhouse which is also featured this month. Directories were mailed out to all of our dues-paying 2016-2017 members. If you did not receive yours, please see the article in this month's LuxLine. As always, we would like to thank all who contributed to the publication in terms of time, article writing and to those of you who have generously supported our community through your purchase of advertisements.

Greensheet

Dear Neighbors-

The Greensheet will be coming out mid-April. We are trying to get it to the printers before MCPS's Spring Break and the spring holidays.

If you know of any new neighbors who have joined our community, or any news that is affecting our community members please let me know. (i.e. births, deaths, marriages, honors, awards, etc.) The best way to get information to me is via email at rlmanchester@aol.com

Thanks-

Rachel Manchester

[White Flint Implementation Committee](#)

White Flint Implementation Committee met on Monday, March 20, 2017 at Wall Park to discuss the latest development projects within the White Flint sector. The Pre-Release Center

(<http://www.montgomerycountymd.gov/cor/PRRS/index.html>) located on Nebel Street, which provides transitional services to more than 100 soon-to-be released sentenced and incarcerated adults from the county's two detention centers as well as state and federal prisons, is proposing a 3,000 square foot addition to the back of the building, an extension of the parking lot, and two trailers for classes.

New upgrades to the existing facility will include updating the existing kitchen as well as adding storm water management under the proposed parking lot expansion.

The project is funded by the and state and construction will be begin in July or August of 2017.

The Downtown Committee is working towards of Fall deadline regarding the formation of an urban district.

MCDOT is also working on creating separated bike lanes on Marinelli between Nebel and Executive. The Western Workaround which includes the parking garage at the conference center and Hoya/Old Georgetown Road/Executive Blvd plans will go to SHA for approval,

Pepco is scheduled to attend the next White Flint Implementation Committee meeting which is planned for April 17th to discuss the proposed substation at Nebel and Marinelli.

CPR Classes

On Sunday March 12, 2017, the Luxmanor Citizens Association sponsored 2 CPR classes at the Windermere club house that were very well received and attended. A certified instructor from Priority Medical Education taught 20 of our neighbors the latest recommendations from the American Heart Association through didactic and a hands on workshop.

Information was provided on recognizing the warning signs of an impending stroke or heart attack and how to provide immediate care. The class included the basics of CPR, use of an automated external defibrillator (AED), and management of choking in the adult, child, and infant. Since it is the first few minutes after a cardiac arrest that determines long term outcomes, I thought it would be very beneficial to our community to offer basic life support classes to our neighborhood.
